You must adhere to Dutch measures to prevent the spread of coronavirus during your trip:

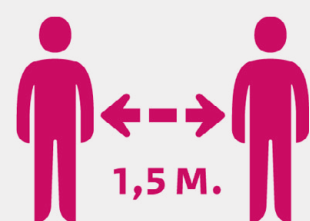

Avoid busy places.

Cough and sneeze into your elbow.

Wash your hands often and avoid shaking hands.

Stay 1.5 metres (2 arms lengths) away from other people.

If you develop symptoms, get tested and self-isolate in your accommodation.

Avoid using public transport.

If you have no other option but to use public transport, you must wear a non-medical face mask.
